

District 203 Activities Calendar 2005-2006

These calendar items, as of the revision date at the bottom of the page, have been established in an effort to minimize potential conflicts. Any events that are not specifically assigned a date must be cleared with all feeder schools for potential conflicts (elementary, junior high, high school) by the submitting school before submitting the date and event to Melea Smith (msmith1@ncusd203.org), Director of Communications. The Director of Communications will maintain and periodically update the District Activities Calendar electronically.

Unless otherwise noted all activities listed are evening events.

Date	School	Description	Location	Start Time	End Time
