# NAPERVILLE CENTRAL HIGH SCHOOL NAPERVILLE C U DIST 203 NAPERVILLE, ILLINOIS

**GRADES: 9 10 11 12** 

State and federal laws require public school districts to release report cards to the public each year.

# **STUDENTS**

#### RACIAL/ETHNIC BACKGROUND AND OTHER INFORMATION

	White	Black	Hispanic	Asian/ Pacific Islander	Native American	Low- Income Rate	Limited- English- Proficient Rate	High Sch. Dropout Rate	Chronic Truancy Rate	Mobility Rate	Attendance Rate	Total Enrollment
School	83.6	2.4	2.0	11.8	0.2	1.4	0.0	0.3	0.1	2.8	95.4	3,005
District	79.8	3.3	3.4	13.4	0.1	3.0	1.6	0.9	0.2	6.1	96.2	18,933
State	57.7	20.8	17.7	3.6	0.2	39.0	6.7	4.6	2.1	16.8	94.2	2,060,048

**Low-income** students come from families receiving public aid; live in institutions for neglected or delinquent children; are supported in foster homes with public funds; or are eligible to receive free or reduced-price lunches.

**Limited-English-proficient** students are those students eligible for transitional bilingual programs. **Mobility rate** is based on the number of times students enroll in or leave a school during the school year. **Chronic truants** are students who are absent from school without valid cause for 18 or more of the last 180 school days.

#### OTHER FINANCIAL INDICATORS

	2001 Equalized Assessed Valuation per Pupil	2001 Total School Tax Rate per \$100	2002-03 Instructional Expenditure per Pupil	2002-03 Operating Expenditure per Pupil	
District	\$166,421	4.31	\$5,351	\$8,452	
State	**	**	\$5,022	\$8,482	

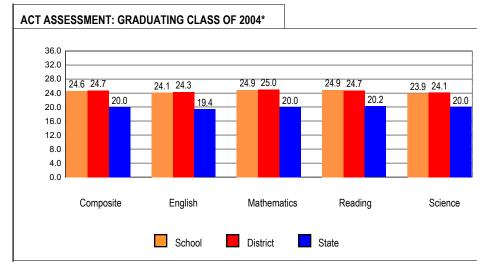

<sup>\*\*</sup> Due to the way Illinois school districts are configured, state averages for equalized assessed valuation per pupil and total school tax rate per \$100 are not provided.

Equalized assessed valuation includes all computed property values upon which a district's local tax rate is calculated.

Instructional expenditure per pupil includes the direct costs of teaching pupils or the interaction between teachers and pupils.

Operating expenditure per pupil includes the gross operating cost of a school district excluding summer school, adult education, bond principal retired, and capital expenditures.

#### **ACADEMIC PERFORMANCE**

#### ACT TEST TAKERS

Number	% Class
685	96.2
1,437	95.4
116,550	90.9
	685 1,437

\* Includes graduating students' most recent ACT Assessment scores from an ACT national test date or PSAE testing. Excludes the scores of students who took the test with special accommodations. State averages for ACT data are based on regular public schools and do not include private and special purpose schools.

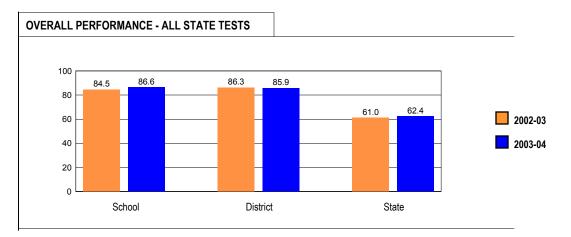

# HIGH SCHOOL GRADUATION RATE

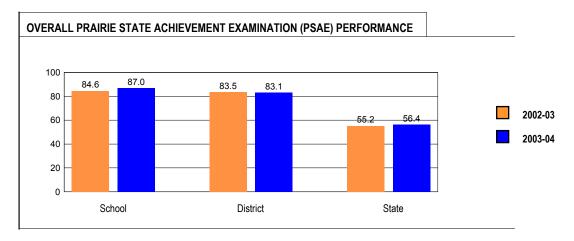

Gender					Race /	Ethnicity						Econo-	
	All	Male	Female	White	Black	Hispanic	Asian/ Pacific Islander	Native American	Multi racial /Ethnic	LEP	Migrant	Students with Disabilities	mically Disad- vantaged
School	98.9	98.1	99.7	99.2	100.0	91.7	96.9	100.0				100.0	77.8
District	97.4	96.4	98.6	97.8	93.6	86.2	97.1	100.0				98.5	92.6
State	86.5	84.3	88.8	91.8	74.0	75.9	91.9	76.6				75.8	71.1

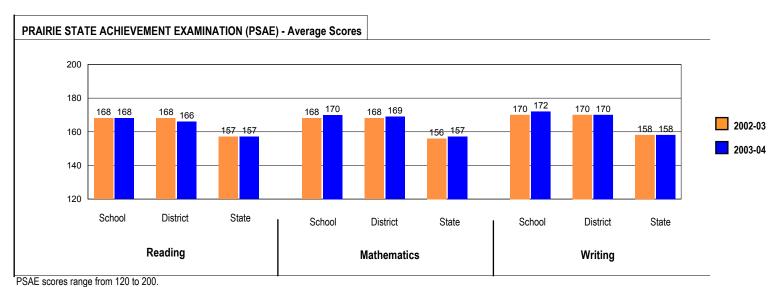

Total school tax rate is a district's total tax rate as it appears on local property tax bills.

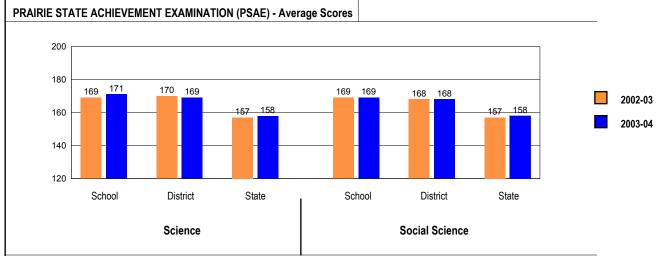

#### **OVERALL STUDENT PERFORMANCE**

These charts present the overall percentages of state test scores categorized as meeting or exceeding the Illinois Learning Standards for your school, district, and the state. These performance measures include only those test scores for the grades and subjects included in your school.

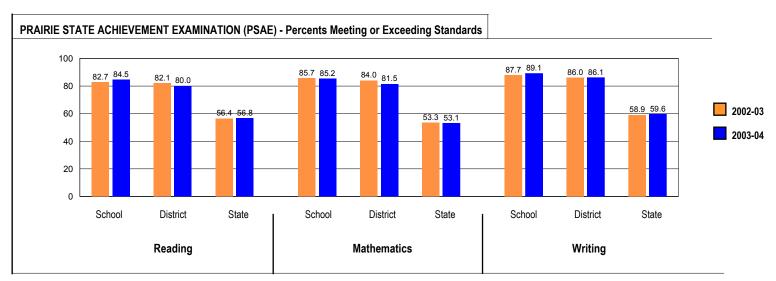

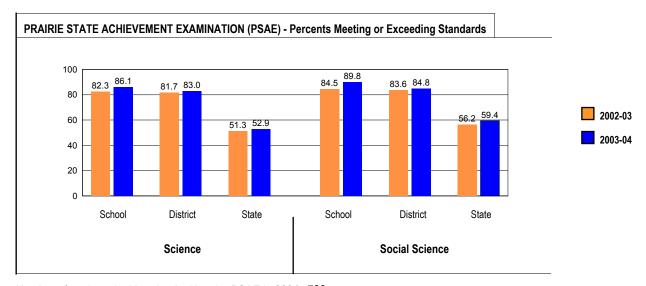

PSAE scores range from 120 to 200.

Number of students in this school taking the PSAE in 2004: 726

Number of students in this school taking the PSAE in 2004: 726

#### **PERFORMANCE ON STATE ASSESSMENTS**

Federal law requires that student achievement results for schools providing Title I services be reported to the general public.

The Illinois Standards Achievement Test (ISAT) is administered to students in grades 3, 4, 5, 7, and 8. The Prairie State Achievement Examination (PSAE) is administered to students in grade 11. The Illinois Measure of Annual Growth in English (IMAGE) is administered to students in state-approved transitional bilingual programs. The Illinois Alternate Assessment (IAA) is administered to students with disabilities whose Individualized Education Programs (IEPs) indicate that participation in the ISAT or PSAE would not be appropriate.

Students with disabilities have an IEP (No Child Left Behind Act). An IEP is a written plan for a child with a disability who is eligible to receive special education services under the Individuals with Disabilities Education Act.

Schools with grade 2 as the highest grade in the school use a state-adopted test in reading and mathematics to meet this requirement.

In order to protect students' identities, test data for groups of fewer than ten students are not reported.

# PRAIRIE STATE ACHIEVEMENT EXAMINATION (PSAE)

The following tables show the percentages of student scores in each of four performance levels. These levels were established with the help of Illinois educators who teach the grade levels and learning areas tested. Due to rounding, the sum of the percentages in the four performance levels may not always equal 100.

- Level 1 -- Academic Warning Student work demonstrates limited knowledge and skills in the subject. Because of major gaps in learning, students apply knowledge and skills ineffectively.
- Level 2 -- Below Standards Student work demonstrates basic knowledge and skills in the subject. However, because of gaps in learning, students apply knowledge and skills in limited ways.
- Level 3 -- Meets Standards Student work demonstrates proficient knowledge and skills in the subject. Students effectively apply knowledge and skills to solve problems.
- Level 4 -- Exceeds Standards Student work demonstrates advanced knowledge and skills in the subject. Students creatively apply knowledge and skills to solve problems and evaluate the results.

# 2004 ADEQUATE YEARLY PROGRESS (AYP) INFORMATION

Is this School making Adequate Yearly Progress (AYP)?	Yes
Is this School making AYP in Reading?	Yes
Is this School making AYP in Mathematics?	Yes

Has this school been identified for School Improvement according to the AYP specifications of the federal No Child Left Behind Act?

		Percent T State				Percent N	leeting/Ex	ceeding S	tandards *		Other Indicators

Economically Disadvantaged																

Three Conditions Are Required For Making Adequate Yearly Progress (AYP)

- 1. At least 95.0% tested for Reading and Mathematics for the All Group and Subgroups. If the current year's participation rates are less than 95%, the participation rate for AYP will be considered sufficient if the average of the current year and the preceding year is at least 95%, or if the average of the current year and the two preceding years is at least 95%. Only actual participation rates are printed. If the participation rate printed is less than 95% but 'Met AYP' is 'Yes', it means the 95% condition was met by averaging.
- 2. At least 40.0% Meeting/Exceeding Standards for Reading and Mathematics for the All Group, and at least 37.0% for all Subgroups to compensate for error in measurement for smaller subgroup sizes, or meet Safe Harbor requirements\*\*\*
- 3. At least 89.0% Attendance Rate for Non-High Schools or at least 66.0% Graduation Rate for High Schools

<sup>\*</sup> Includes only students enrolled as of 9/30/03.

<sup>\*\*</sup> Safe Harbor Targets of 37% or above are not printed.

<sup>\*\*\*</sup> Subgroups with fewer than 40 students are not reported. Safe harbor only applies to subgroups. In order for safe harbor to apply, a subgroup must decrease by 10% the percentage of scores that did not meet state standards from the previous year plus meet the other indicators (attendance rate for non-high schools and graduation rate for high schools) for the subgroup. Safe harbor allows schools an alternate method to meet subgroup minimum targets on achievement.

# PLANNED IMPROVEMENT FOR THE SCHOOL AND DISTRICT

This is the final section of the school report card in which your school and district provide information below on areas of success and areas for planned improvement based on your school's improvement plan.

(For report cards disseminated electronically, this information may be provided in a separate document due to differences in the software used. If you are unable to locate this document, please contact your local school or district office.)

# PLANNED IMPROVEMENT FOR THE SCHOOL AND DISTRICT

The Illinois State Board of Education compiled this "School Report Card" as an instrument for you to use in evaluating local and statewide public education. The No Child Left Behind Act of 2001 requires states to communicate with parents regarding the school's and district's performance in twenty key categories. The achievement target must be met annually in all twenty categories by each school and by the district as a whole.

According to the No Child Left Behind legislation, school districts are required to inform the community when any of the sub groups of students does not meet standards in reading or mathematics. The subgroup of Limited English Proficient students in District 203 did not make Adequate Yearly Progress in reading achievement for 2004. The district missed meeting the standard for that subgroup by 0.6%. The district has identified strategic actions related to this deficiency. District 203 increased the number of staff working with students with limited English. Co-taught sheltered content courses are being offered at the high school level to provide both language support and content support. In addition, the district designed curriculum and purchased resources to assist students in accelerating their English learning in order to access the content knowledge in reading and mathematics.

Naperville Community Unit School District 203 continues to use the Standard Bearer Process to assess its capacity to meet the needs of all students. District 203 regularly analyzes student achievement data and uses this data to revise and refine its curriculum.

Each of the 21 schools in District 203 develop and implement a School Improvement Plan (SIP) aligned with the district goals to assure continued student success. Each school's School Improvement Plan and the District 203 Strategic Plan includes goals for student progress and achievement, teaching and learning, and the school as a learning community. The School Improvement Plan and the District 203 Strategic Plan are frameworks that let you "know what the school/district is designed to do, which means the school/district has identified its priorities, concerns and articulated the basic values toward which the school is oriented." (Inventing Better Schools, P. Schlechty)

#### The School Improvement Goals for Naperville Central High School for 2003-2004 were:

- 1. Improve student learning and teaching strategies through the use of performance data.
- 2. Develop a shared understanding of how the essential characteristics of District 203 graduate guide our work and influence how we communicate with all stakeholders

Naperville Central High School met Adequate Yearly Progress for all required categories under No Child Left Behind. Naperville Central High School's Improvement Plan demonstrates its commitment to continuous improvement for all students.

#### The School Improvement Goals for Naperville Central High School for 2004-2005 are:

- 1. Increase by 1.5% the number of students who exceed state expectations on the PSAE and an increase of 2.0% of students who meet state expectations on the PSAE by the end of the 2006-2007 school year.
- 2. Increase the percentage of students who demonstrate an understanding of the essential skills of the High School Vision (District Mission) and are able to apply these skills to their learning to 70% by the end of the 2006-2007 school year.

A copy of the School Improvement Plan for Naperville Central High School is available for your review in the school office. The District 203 Strategic Plan may be reviewed on the district website at www.ncusd203.org (see Quick Links).

Sincerely,
